Shipbuilding order worth \$76 million

MONTREAL (CP)—Marine Industries Ltd. has been awarded contracts for the construction of six 17,000-ton cargo vessels by the Michail A. Karageorgis S. A. group of companies of Greece.

The vessels are to be ready for delivery by July, 1976, and the company said the order could be extended for 12 more ships under certain conditions if all options are exercised.

Total value of the contract is \$76 million.
